PROFILE

A third-year student eager for new experiences and growth opportunities in Computer Science. I've actively participated in several organizations and committees, refining my leadership skills and fostering a collaborative spirit. I thrive on learning and embrace challenges with enthusiasm, always seeking to expand my skill set and contribute meaningfully.

EDUCATION

BINA NUSANTARA UNIVERSITY

Semarang, Indonesia

Bachelor of Computer Science

2023 – Present

SMA Kristen Kalam Kudus

Solo, Indonesia

Natural Science

2020 – 2023

GPA: 89.72

EXPERIENCE

KODEKIDDO

Tegal, Indonesia

Coding Instructor Intern

2026 – Present

- Teach coding, computational thinking, and STEM concepts to students through hands-on learning activities.
- Guide students in developing projects using platforms such as Scratch, Code.org, CodeMonkey, MIT App Inventor, Arduino, and other educational technologies.
- Adapt teaching approaches based on students' different learning styles, abilities, and classroom situations.
- Communicate students' progress and learning experiences with parents and the teaching team.
- Participate in academic and promotional activities, including trial classes, holiday programs, competitions, and technology-related events.

VOLUNTEER EXPERIENCE OR LEADERSHIP

TUTOR

BINUS UNIVERSITY

- Mentored and supported Computer Science freshmen during their transition into university life.
- Helped students understand academic and technical topics while encouraging active participation and confidence.

FRESHMEN PARTNER

BINUS UNIVERSITY

- Guided and supported freshmen in adapting to university life, including academic activities and the campus environment.
- Communicated with students, addressed their questions, and encouraged them to actively participate in university activities.

PUBLICATION AND MARKETING ACTIVIST

HIMPUNAN MAHASISWA TEKNIK INFORMATIKA (HIMTI)

- Responsible for promoting and publishing articles and news related to the Himpunan Mahasiswa Teknik Informatika.
- Collaborated with other members of the Publication and Marketing team to discuss promotional strategies and ideas for publishing articles and news.

SECRETARY

COMVIS COMMITTEE (COMPANY VISIT)

- Prepared and managed administrative documents, participant data, and records for a company visit to the Djarum factory.
- Coordinated with committee members and participants regarding schedules, attendance, and other event arrangements.

SKILLS

- Technical: Basic Programming, Machine Learning
- Interpersonal: Communication, Mentoring, Teamwork, Problem Solving, Adaptability

AWARDS

- Best Mentor 24/25 - BINUS University
- Dean's List 2025 at School of Computer Science - BINUS University
